

Indigestion May Be Due to Constipation

Neglect of Important Function
May Seriously Impair
The Health

There are many people who believe they suffer from indigestion when their discomfort is due to a constipated condition.

Bloat, with its attendant mental depression, sick-headache, the belching of sour stomach gases, etc., are frequently due to inaction of the bowels. Believe the congestion and the trouble usually disappears. The use of cathartics and purgatives should be avoided, however, as these shock the system unnecessarily and, at best, their effect is but temporary. A mild laxative is far preferable.

The compound of simple laxative he's known as Dr. Caldwell's Syrup Pepsi, and sold in drug stores for fifty cents a bottle, is highly recommended. The Benjamin Bassin, 260 Madison St., Gary, Ind., thinks Dr. Caldwell's Syrup Pepsi a wonderful medicine; for four years he had a severe case of indigestion and constipation before trying Dr. Caldwell's.

THE COUNTRY AND A MAN

"This country is in a shamefully unprepared condition," said a Patriot, the other day.

"It is," observed his companion. "Do you pay your life insurance premium quarterly, or annually?"

"Life insurance?" echoed the other. "Why—er—don't carry any life insurance."—Illinois Life Bulletin.
